Donor Highlights

Fred Kaiser:

“Why I believe in the Michigan Masonic Charitable Foundation.”

I have been affiliated with the Michigan Masonic Charitable Foundation (MMCF) for nearly 20 years, in one form or another. I first became aware of its good works in supporting Masonic Pathways, scholarships, the Red Cross, and a host of other community programs as a member of the Board of General Purposes. Membership in the Lewis Cass Legacy Society soon followed. My lovely wife, Karen, is also now a member of the Society.

Over the years, I have had the opportunity to contribute to the Deputy Grand Master's Appeal, Holiday appeals, and to become a sustaining donor. These last 7 years, I have even been able to serve as a trustee of the Foundation Board, which has allowed me to stay abreast of the differences your Foundation brings daily to the lives of individuals and the communities in which we have a presence.

Nothing brought home the importance of the Foundation to me more than difficulties with my mother in 2009. We recognize now, with hindsight, that what we thought were just eccentricities and the signs of normal aging were actually symptoms of the dreaded disease we know as Alzheimer's. It rapidly began to take its toll on Mom.

The health care system in our country is great, but incredibly disconnected and uncoordinated. One health care provider too often doesn't communicate with another, unless the family forces the issue. And, to whom do you turn when a health care need arises? What I would have given to have a wonderful program like Live Better at Home, so that I might have called and gotten advice, counsel and referral to agencies along the way!

We received a call in February, 2009, from the visiting nurse attending my mother in her home. The nurse told us that Mom nearly lit herself on fire fixing dinner for herself, and that she didn't feel Mom could continue to care for herself at home. She said, "Fred...it's time." Knowing that as a member in good standing of our Fraternity, I might be able to secure a place at Masonic Pathways, I made a telephone call there. An angel named Janet Hunter was able to help right away. She guided me through the admissions process, and before I knew it, Mom was in that safe and wonderful community. We knew Mom would find as much support as her condition dictated, proper medication, nutritious meals, and new friends with whom she could interact. Your Foundation dollars helped make the wonderful Pathways community possible.

Fred and Karen Kaiser

Your investment also aid members in distress. Mom had been very frugal all her life, but she exhausted her savings with home maintenance and other daily living expenses, so when she transitioned to Masonic Pathways she only had her home, an older car and monthly Social Security income as assets. Your donations ensured that as Mom's care moved from assisted living, to the Alzheimer's Unit, to nursing care and the cost exceeded her income, Masonic Assistance was able to make up the difference.

Sadly, Mom's illness and a series of mini-strokes only allowed her to live for four months at Masonic Pathways. But for that four months, Karen and I are eternally grateful to Pathways, the Foundation, and to you for providing her support. My co-workers donated enough to the Foundation so that two trees were planted in her name. I continue to visit them at Pathways when weather permits, and remember...

You make these kinds of stories possible, every day. We have our predecessors to thank for their investments, and you to thank for yours. Please continue. If you're not yet a contributor, please ask a trustee or Foundation staff member how you may best do so, in any amount that you can afford. Or, seek out the MMCF at <http://michiganmasonsfoundation.org/>.

Sincerely,

Fred Kaiser

Grand Master Challenge

Last fall our Grand Master William LeVeque challenged the three Masonic youth groups, DeMolay, Rainbow Girls and Job's Daughters to get involved in their communities. Each group was encouraged to raise \$100 for a local community project of their choice and would then be eligible to receive a matching grant from the Michigan Masonic Charitable Foundation.

18 youth groups rose to the challenge, raising over \$3,600 supporting programs like "Project Night Night", "Paks of Love", "Hearing Impaired Kids Endowment (H.I.K.E.)" and multiple food pantries, animal shelters and others.

The Executive Director of Hope, Inc., an adult shelter, commended the Masons of Michigan and our Masonic youth for their efforts to "make the world a better place for all." Thank you Grand Master LeVeque for inspiring our young philanthropists to take action, spreading the culture of philanthropy and making a difference in their communities. Thank you to our donors for making this program possible; your generosity creates a ripple effect that spans all across our great state.

employees
DOUBLE their
IMPACT

In September of 2013 the staff of Masonic Pathways, Grand Lodge and the Michigan Masonic Charitable Foundation opened their hearts and wallets during the first ever Employee Giving Campaign "Commit to the Legacy".

Holding to that tradition, the employees were challenged again this year; not only did they meet the goal, they more than doubled their impact with pledges totaling more than \$8,000. Seven iPads for the residents were purchased and we will be awarding four \$750 employee scholarships in June.

Every day employees give their time and talents to make a difference in the lives of residents at Masonic pathways. No matter the role, their personal devotion sends a powerful message to those we serve. Our employees believe so strongly in what happens here, not only to the residents, but to their fellow coworkers, they are willing to support it above and beyond their everyday work by making a financial contribution.

MMCF is deeply grateful to the employees who participate in the "Commit to the Legacy" campaign, not only for their dedicated service and commitment to the residents and each other, but also for their generosity.

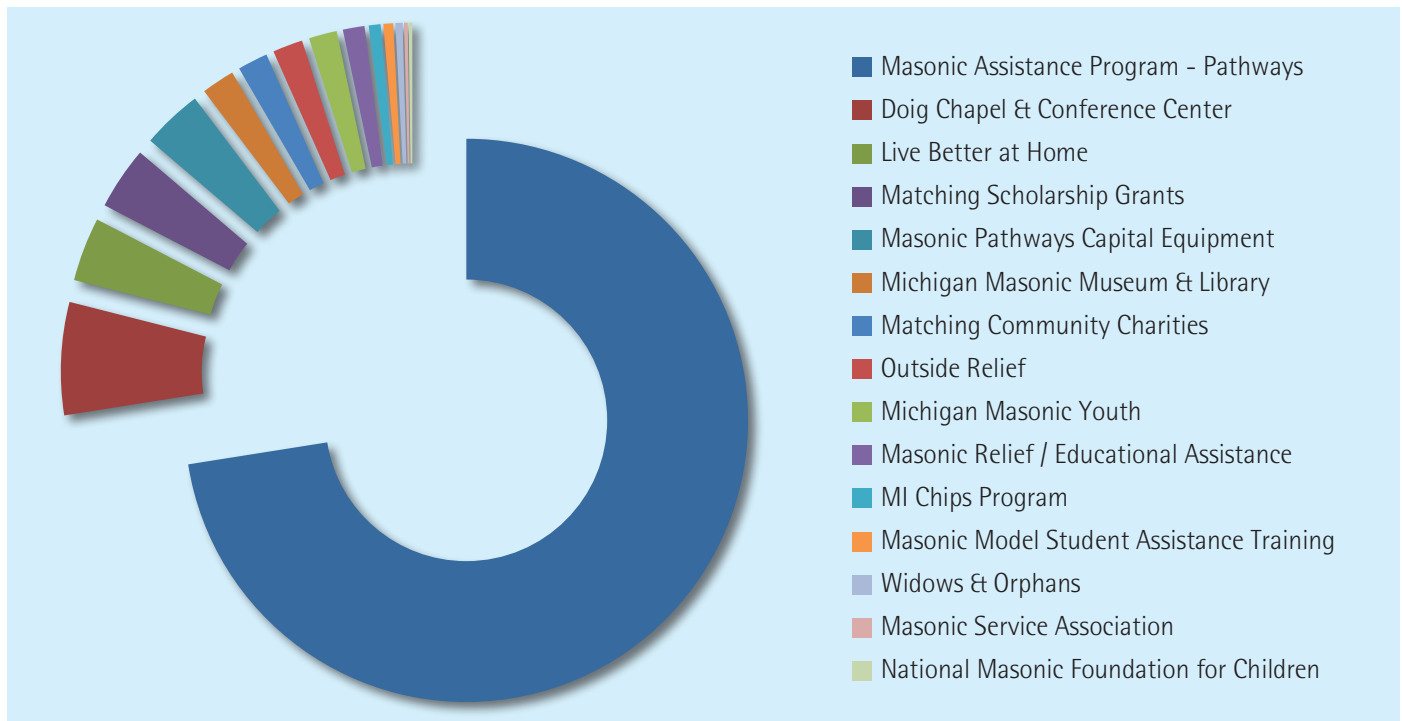

Financial Information

Last year, the Foundation, together with lodge contributions, awarded Matching Student Scholarship Grants totaling over \$343,000, making college a reality for hundreds of Michigan students. The Foundation's Matching Community Charities Grant Program infused neighborhoods just like yours with much needed financial support, helping fund food pantries, warm clothing drives for disadvantaged children and initiatives to help struggling veterans. Since its inception over 2,700 educators, administrators, officials and student representatives received important training on how to recognize and assist students at risk for harm from issues like bullying, suicide and substance abuse, completely free of charge, and hundreds of senior Masons received compassionate, high quality care at Masonic Pathways.

By working together, we are making real change happen in the lives and communities of Michigan Masons.

An Especially Successful Year

This year marked my twenty-first anniversary with Masonic Pathways, and it was one of the most exciting and rewarding of my career.

Early in the year, we were among only a few CCRCs to receive the Governor's Award of Excellence for quality care, and soon after earned a Five Star quality rating from the Centers for Medicare & Medicaid Services.

After much research, a few building modifications and extensive training, in August we admitted the first ventilator dependent resident into our Assisted Breathing Unit. Finally on January 1, 2015, following Lodge approved acquisition protocol, we added Warwick Living Center to the Michigan Masonic Home "Legacy of Caring" family.

These special awards and extraordinary accomplishments did not come easily, but as Henry Ford once said, "If everyone's moving forward together, then success takes care of itself." Our team of hardworking, compassionate and goal driven employees pulled together like never before, and it is thanks to their efforts that so much was achieved in just twelve months.

Consistent with Masonic values and true to our vision, the success of Masonic Pathways during this past year was very much driven by the integrity, commitment to excellence, teamwork and empowerment of our people. It has been my privilege to lead this amazing team.

In gratitude to the Fraternity,

Cindy M. Bosley
 CEO, Masonic Pathways

Ribbon cutting ceremony at Warwick Living Center, April 18, 2015

Our Mission:

Masonic Pathways and its related services will maintain a charitable mission while providing quality retirement services to Masonic family members and to the communities in which they live.

Our Vision:

The vision of Masonic Pathways is to make a positive impact on the lives of those we serve, consistent with our Masonic values. We will continue to earn our customers' enthusiasm and respect through continuous improvements in service, driven by the integrity, commitment to excellence, teamwork and empowerment of our people.

Introducing the Masonic Pathways Assisted Breathing Unit

supported by Allevant & developed by Mayo Clinic and Select Medical

Ventilator Dependent Care

The goal of the Masonic Pathways Assisted Breathing program is to improve the quality of life for patients who are ventilator dependent by providing the least restrictive and most home-like environment possible.

Following an individually developed care plan, uniquely designed to assist patients in achieving their highest potential, most can attain a greater degree of independence in their quality of life. For some, this could include total liberation from a ventilator.

Now without leaving the state, more patients will be able to receive high quality care closer to home. Family and friends throughout Michigan will find it convenient to visit, participate with the care team during weekly rounding, and enjoy social interaction with their loved one.

Warwick Living Center joins the Michigan Masonic Home Family

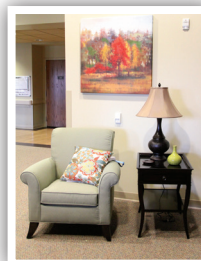

Personal. Private. Home.

Warwick Living Center is located in the heart of Alma, just a few blocks from the Masonic Pathways campus. It's small enough to ensure that all of the residents receive 24-hour skilled and loving care; and large enough for residents to be actively engaged in social outlets and daily exercise.

Warwick Living Center is the only skilled nursing community in Gratiot County featuring all private rooms!

Warwick has three neighborhoods made up of 15 private rooms. Each neighborhood has its own kitchen/dining room, an intimate, comfortable sitting area, spa, four seasons room and easy access to outdoor courtyards. Resident rooms offer a personal bath with shower, state-of-the-art safety measures, TV, telephone and wireless internet capabilities.

Residents and employees work together to schedule a variety of events including live entertainment, music, cooking club, arts and crafts, religious services, holiday meals and more.

Everything we do at the Michigan Masonic Charitable Foundation can only be accomplished through the generosity and dedication of our donors. That's why the Foundation introduced its donor club programs which, in addition to the Lewis Cass Legacy Society, help us better recognize and express our sincere appreciation to our donors at each level of giving. The Giving Clubs recognize cumulative annual giving at seven different levels. As total giving increases, donors will progress to the next giving level. Donors are inducted in the Grand Master's Society upon their third year of consecutive giving to commemorate their ongoing commitment to support the Foundation. For those donors wishing to make a monthly recurring gift, the Michigan Masonic Charitable Foundation has added a new level of recognition, the Fellowcraft Society. The Lewis Cass Legacy Society continues to acknowledge those donors who have made a legacy commitment to the Foundation in their estate plan or will.
