MICHIGAN MASONIC
Charitable
FOUNDATION
A LEGACY OF GIVING

2017 IMPACT REPORT

*“Together, we are
changing lives
through charity.”*

We look forward to an exciting year of growth, touching lives and striving to be the best we can be.

Won't you join us? You can make a difference, you can change a life, and in so doing, you can make the world a better place for all mankind.

“So mote it be!”

Walter F. Wheeler
PGM, Executive Director

Making a difference . . .

The Michigan Masonic Charitable Foundation believes that charity is a duty incumbent on all men, but particularly upon Masons. Every day, Masons across the State of Michigan are making a difference in people's lives, helping those who most desperately need our assistance. We do this because it is what our great fraternity has taught us to do. Sharing the values of Freemasonry and spreading light throughout our state. It is being done because of you...

It is an unbelievably great pleasure to highlight what you have accomplished this year!

Because of you we had a record breaking year; assisting more students, children, community charities and seniors than ever before. Lodges are involved in spreading the Masonic mission and our fraternity is once again being looked upon as leaders and difference makers in our communities. Because of you we are making huge strides.

Your commitment of time, talent and treasure is the only reason that our fraternal and community programs are possible. I am deeply grateful for the faith you have shown and hope you take great pride in what you see within these pages; every life touched, every community impacted, happened because of YOU!

You are making a difference!

Fraternally,

Masonry's B.E.S.T. Community Grant

Masonry is the world's first and largest fraternal organization, and is based on the belief that each man has a responsibility to help make the world a better place. Through our culture of philanthropy, we make a profound difference for our Brothers, our families, our communities, and our future.

This time-honored tradition is why, in 2016, we rolled out the Masonry's B.E.S.T. Community Grant. We are committed to enhancing our communities and improving the lives of our citizens.

This fiscal year we were able to award grants totaling \$500,000 to twenty-one outstanding non-profit organizations. These organizations have invested time, money and most importantly a great deal of love into the improvement of life for thousands of individuals throughout the state of Michigan.

One such organization is the Mt. Pleasant Discovery Museum. Over 10,000 feet in size, this interactive children's museum was designed to spark children's creativity, nourish learning, and inspire the curiosity of children through self-directed discovery in an engaging hands-on environment.

The Mt. Pleasant Discovery Museum provides a place where children can learn through play with caring adults in their lives. Instead of materials of interest being behind glass, children are encouraged to use their senses as they discover the world around them. With their grant, the museum will be able to offer all Head Start students in Gratiot and Isabella counties, a year-long family pass.

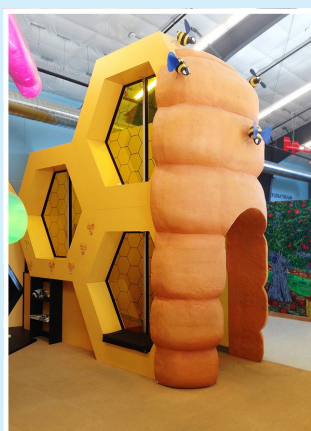

Like Freemasons, the non-profits benefiting from these grants have a strong sense of duty to their communities. The work they do reminds me of our own enduring and relevant tenets of Brotherly love, relief and truth.

*It is our vision,
through work within the communities,
that we will be able to increase,
enhance and sustain
fraternal membership,
reminding people that Masons
are steadfast in their commitment
to helping others
and serving our communities.*

Financial Information

Last year, the Foundation, together with lodge contributions, awarded Matching Student Scholarship Grants with matches totaled over \$390,000, making college a reality for hundreds of Michigan students. The Foundation's Matching Community Charities Grant Program infused neighborhoods just like yours with much needed financial support, helping fund food pantries, warm clothing drives for disadvantaged children and initiatives to help struggling veterans. Since its inception over 4,000 educators, administrators, officials and student representatives received important training on how to recognize and assist students at risk for harm from issues like bullying, suicide and substance abuse, completely free of charge, and hundreds of senior Masons received compassionate, high quality care at Masonic Pathways.

By working together, we are making real change happen in the lives and communities of Michigan Masons.

Community Charities

Each and every day, Michigan Masonic Lodges are reaching out to make a real difference for individuals and families across the state. By partnering with the Michigan Masonic Charitable Foundation, Michigan Lodges are able to double the impact of enriching lives and deepening the connection with their local communities.

Community Charity Matching Funds Breakdown

In 2017, 193 Michigan Lodges in collaboration with the Michigan Masonic Charitable Foundation, awarded

Over \$250,000
to support communities throughout Michigan.

Masons Making a Difference

Many Masons across Michigan are involved in their local communities in some way whether that's by donating to a food bank in their town, hosting a dinner for their Widow's, or volunteering their time toward an ongoing community service project. Several lodges serve their communities by designing and constructing accessibility solutions for homes and businesses including wheelchair ramps and stair lifts. These systems enable those in need to safely access their homes and businesses, improving the lives of community members with physical challenges.

A woman in Clinton who lost a leg to cancer several years back is extremely grateful for a lodge coming forward to build her a ramp for her home. "It's helped so much. This means so much to me, and makes a world of a difference. I can now get outside without the large risk of falling."

When a local lodge learned of this woman's disability and limited financial situation, they gathered their resources to build a ramp not only for this woman's home, but an additional ramp next door for her mother's home.

"Our main focus is to help widows, orphans, and community members in need," said the local lodge

secretary. "We take care of them whenever we are notified about it, and she had a need, so we responded. That's what we're about as lodge brothers. It's better to give than receive."

Each and every day, Michigan Masonic lodges are reaching out to their local communities to make a positive impact for individuals and families across Michigan. The impact lodges of Michigan work toward, speak for themselves in the form of stories like this.

They are making an incredible difference.

Donor Highlights

Tom and Sheila Garner

Sheila Garner is frequently heard saying “Masonic Pathways will someday be our home.” Both she and her husband Tom are very passionate about Masonic Pathways and all it stands for.

The Garner’s philanthropic dream is to see the plans and vision of Masonic Pathways come to fruition. Plans like establishing a new facility in southeast Michigan, renovating the current Masonic Home and getting the Pace program up and running.

They feel it is truly a blessing being able to give to Pathways through the Foundation. Every time they visit Pathways, they see the happy residents and the smiling and friendly staff, and it gives them a rewarding feeling. “Pathways is here for any Masonic member; a place they can be safe, live with dignity and enjoy the many amenities Pathways has to offer.” The Garner’s wish is for all brothers and sisters to contribute to this amazing facility as liberally as they can without bringing financial burden to themselves.

Both Tom and Sheila grew up in Masonic families. Tom’s father passed when Tom was young and it was not until he met Sheila through Church when the thought of joining occurred to him. Sheila stated, “I let Tom know early in our marriage that if he wanted to see me he better join because it was a huge part of my life.”

They have now been married for 34 years, and made their own Brady Bunch; she bringing three daughters to the family, and he bringing three sons. They moved north after their retirement, and now enjoy the Bellaire area.

Both Tom and Sheila are members of OES Chapter #180 in Bellaire. Tom is a member of Central Lake Lodge #426 as well as all the York Rite bodies, Shrine and Scottish Rite.

Thank you Tom and Sheila for generously donating your time, talent and treasure to the Michigan Masonic Charitable Foundation and Masonic Pathways. We are grateful for your commitment. People like you are the backbone of this Fraternity; you are both truly remarkable, thank you for choosing to dedicate your hearts to supporting your Masonic Brothers and Sisters.

Since 2012 Tom has devoted his time, wisdom and self as a member of the Michigan Masonic Home Board of Trustees. He is positively guiding our Home through some exciting times as we prepare for future services that will impact his Fraternal Brothers and Sisters. I believe this quote from Carl Jung best describes Tom's dedication to the Michigan Masonic Home:

***"You are what you do,
not what you say you'll do."***

I am grateful for Tom and his commitment.

Everything we do . . .

at the Michigan Masonic Charitable Foundation can only be accomplished through the generosity and dedication of our donors. That's why the Foundation introduced its donor club programs which, in addition to the Lewis Cass Legacy Society, helps us better recognize and express our sincere appreciation to our donors at each level of giving.

The Giving Clubs recognize cumulative annual giving at seven different levels.

As total giving increases, donors will progress to the next giving level. Donors are inducted in the Grand Master's Society upon their third year of consecutive giving to commemorate their ongoing commitment to support the Foundation. For those donors wishing to make a monthly recurring gift, the Michigan Masonic Charitable Foundation has added a new level of recognition, the Fellowcraft Society.

The Lewis Cass Legacy Society continues to acknowledge those donors who have made a legacy commitment to the Foundation in their estate plan or will.
