# BECAUSE OF YOU . . .

*“Together, we are  
changing lives  
through charity.”*

'I have seen firsthand the impact your donations have had on others.

I am so proud to be a Mason!  
I know that our fraternity is making a positive impact on people's lives and it's because of you.'

Walter F. Wheeler  
PGM, Executive Director

As Freemasons we have accepted the challenge to lighten the burdens of those less fortunate, to make a difference in the lives of our brethren in need, their widows and orphans, our seniors at Masonic Pathways and those in our communities who are less fortunate than we are.

I have seen firsthand the impact your donations have had on others. I saw you help a young widow with four children who had tragically lost her husband and had nowhere to turn. I saw you rescue a brother who lost everything when his home burned to the ground. I saw our brothers and sisters being cared for at Masonic Pathways.

My mother lives at Masonic Pathways. She lives here because, having my office in Pathways for the past eight years, I witnessed the quality of care and have listened to our brothers and sisters, as they tell me how appreciative they are of being able to live in such a great facility. I have seen firsthand the impact this facility has, not only on our residents, but also on their families, which is heartwarming.

Because of you, these people's lives have been changed forever. Because of you, my life has been changed forever. Being able to be present and play even a small role in giving someone the assistance they need to get their lives back on track is an uplifting and emotional experience. I am so proud to be a Mason! I know that our fraternity is having a positive impact on people's lives and it's because of you.

Thank you for everything you do!

Fraternally,

## Louise Travis

The Travis family has a long history of community and philanthropic spirit. Louise and her husband Norbert grew up in the small mid-Michigan community of Shepherd, where Norbert was a farmer and master carpenter, and Louise worked as a factory laborer, grocery store clerk and ceramic shop crafter.

Louise and Norbert were very active in their church (Westlawn Church of Christ) as volunteers. They also have more than sixty years of volunteer service with the Shepherd Maple Syrup festival, and were Grand Marshals of the beloved community event in 2006.

Masonry also became a family affair for the Travises. Norbert was a Past Master and life member of Alma Lodge #244, and their son David (Cheryl) is also a member. Louise is a life member of Alma Chapter #243 and the Grand Chapter. She has also served as a Grand Officer, Grand Martha and Grand Representative to North Dakota. Their daughter Vicki is also a life member of the Alma Chapter and Grand Chapter.

The Travises community involvement, Masonic spirit and generosity have made them leaders in supporting the Michigan Masonic Charitable Foundation as well. Louise, Norbert, Vicki, David and Cheryl are all Lewis Cass Legacy Society members and avid benefactors of the various projects needed at Masonic Pathways, which they have been supporting as a family for more than half a century.

"I started volunteering at Masonic Pathways in 1965, and it was a family affair," Louise explained. "Vicki was 16 at the time, and we were always there for ice cream socials, pizza parties, special events, outings, decorating and many other things."

*Louise Travis, November 2010*

*The Travis family has been a valued asset to their community.*

## Louise Travis *continued*

*"I love all the staff in the Rehab Unit, they work so hard," she stated as she presented the crew with a generous donation to purchase a Sara Steady lift to make their job a little easier.*

Louise expresses the reasons for her extraordinary support, which is at the exclusive Grand Master's Club level of giving, as "The Michigan Masonic Home has always been important to me. I spent so much time with my Masonic Family volunteering, that the residents have become my extended family. There is so much need for so many residents that don't have any family close by, that it felt vital to them that we were there to help."

Louise has a personal connection with Masonic Pathways, having twice been a rehabilitation patient. "There is not a better place around," she proudly stated before proving her point by listing off more than a dozen friends and family members who have also been patients at Masonic Pathways.

Thanks to the generosity of the Travis family and all of our supporters, the residents and patients at Masonic Pathways can always be sure that they will have a helping hand and a family to ensure the highest quality of life and care. Because, to the Travises...

## Masonry's **B.E.S.T.** Community Grant

Masonry is the world's first and largest fraternal organization, and is based on the belief that each man has a responsibility to help make the world a better place. Through our culture of philanthropy, we make a profound difference for our Brothers, our families, our communities and our future.

This time-honored tradition is why, in 2016, we rolled out the Masonry's B.E.S.T. Community Grant. We are committed to enhancing our communities and improving the lives of our citizens.

Since its inception, we have awarded over \$800,000 to 41 outstanding non-profit organizations. These organizations have invested time, money and most importantly a great deal of love into the improvement of life for thousands of individuals throughout the state of Michigan.

One such organization is **Operation Injured Soldiers**. This amazing organization provides recreation opportunities, free of charge, to wounded military veterans of all eras, as a thank you for their service. These recreational activities lend support and aid in the recovery from physical and emotional injuries sustained during conflict deployments.

Another aspect of **Operation Injured Soldiers** is the beautiful 238 acre ranch, donated by a patriot and generous supporter of our wounded veterans. "**Brave Hearts Estates**" serves as a retreat destination for our veterans. It includes a main house, campground, children's playground and a wide variety of nearby adaptive sporting amenities, such as hiking and biking trails, fishing, boating and hunting. Our veterans have sacrificed, and we feel it is our chance to give something back.

Like Freemasons, the non-profits benefitting from these grants have a strong sense of duty to their communities. The work they do reminds us of our enduring and relevant tenets of Brotherly love, relief and truth.

*It is our vision, through work within the communities, that we will be able to increase, enhance and sustain fraternal membership, reminding people that Masons are steadfast in their commitment to helping others and serving our communities.*

# Operation Injured Soldiers

Taking Care  
Of Our Own!

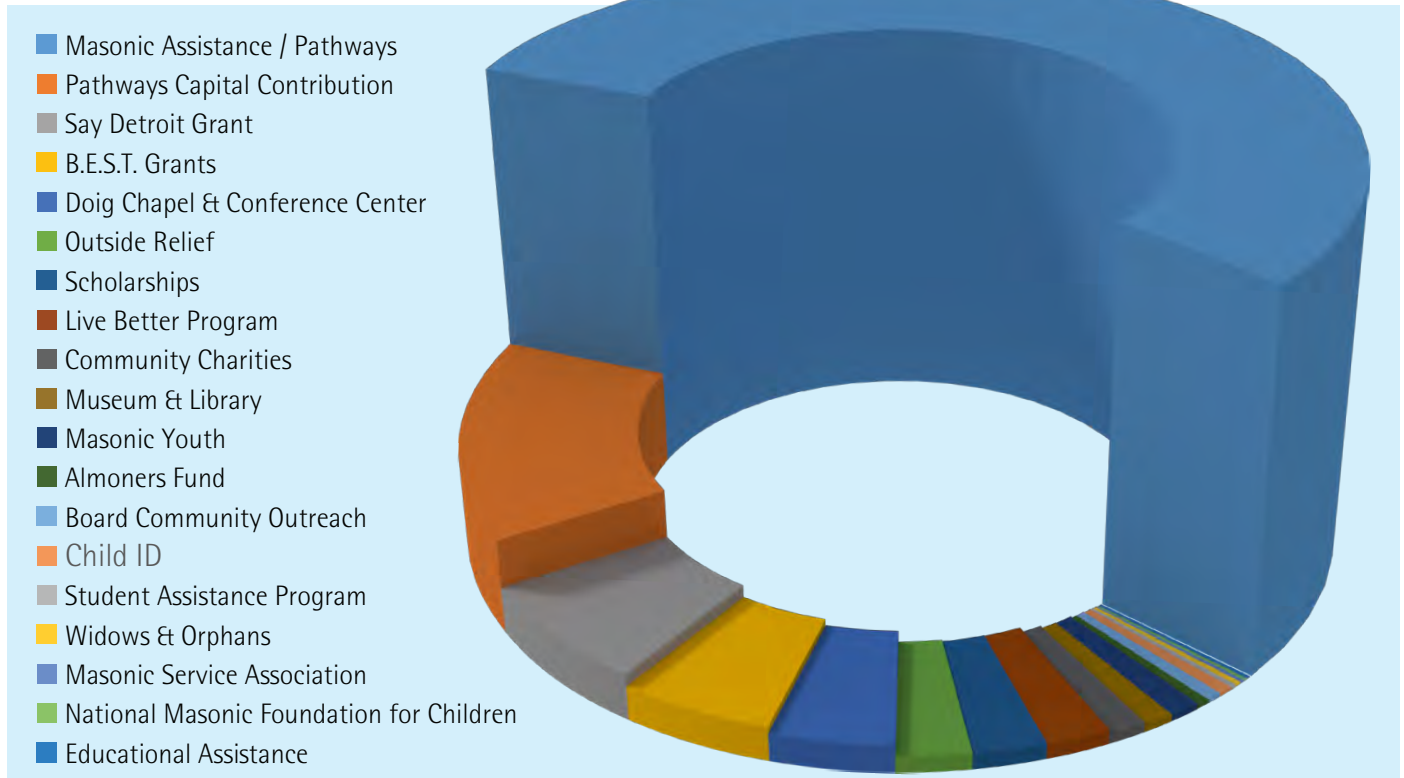

# Financial Information

Last year, the Foundation, together with lodge contributions, awarded Matching Student Scholarship Grants with matches totaled over \$168,000, making college a reality for hundreds of Michigan students. The Foundation's Matching Community Charities Grant Program infused neighborhoods just like yours with much needed financial support, helping fund food pantries, warm clothing drives for disadvantaged children and initiatives to help struggling veterans. Since its inception over 4,000 educators, administrators, officials and student representatives received important training on how to recognize and assist students at risk for harm from issues like bullying, suicide and substance abuse, completely free of charge, and hundreds of senior Masons received compassionate, high quality care at Masonic Pathways.

*By working together, we are making real change happen in the lives and communities of Michigan Masons.*

## Everything we do . . .

*at the Michigan Masonic Charitable Foundation can only be accomplished through the generosity and dedication of our donors. That's why the Foundation introduced its donor club programs which, in addition to the Lewis Cass Legacy Society, helps us better recognize and express our sincere appreciation to our donors at each level of giving. The Giving Clubs recognize cumulative annual giving at seven different levels. As total giving increases, donors will progress to the next giving level. Donors are inducted in the Grand Master's Society upon their third year of consecutive giving to commemorate their ongoing commitment to support the Foundation. For those donors wishing to make a monthly recurring gift, the Michigan Masonic Charitable Foundation has added the Fellowcraft Society. The Lewis Cass Legacy Society continues to acknowledge those donors who have made a legacy commitment to the Foundation in their estate plan or will.*

# magical moments wishes made real

*This may look like a run-of-the-mill golf cart to you, but to our residents this cart is a life enhancing, magic carpet ride.*

Residents and donors alike have been anxiously awaiting the arrival of the new custom-made golf cart. On June 20th, after a dedication ceremony, it made its inaugural trip around campus, driven by the new CEO of Masonic Pathways, Michael Logan.

While Masonic Pathways hosts a stunning indoor facility with beautiful amenities and spacious common areas, our residents still like to get outside. In order for them to thrive, they must also be able to enjoy outdoor activities and events. This amazing resource will allow them the luxury of doing just that.

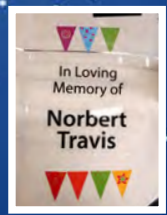

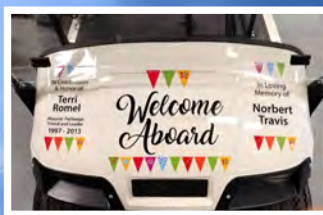

The state-of-the-art electric golf cart includes a ramp, wheelchair access and the ability to carry up to four residents to and from activities around our campus. ***"We would like to thank all who helped make this golf cart possible, you have truly enriched the lives of our residents."*** (Lisa Godfrey, Life Enrichment and Volunteer Manager).

As you can see, our residents truly appreciate all you do for them. You have helped make Masonic Pathways more than a building... it's

## A Home!
