

Resident Rights/Abuse & Neglect Post Test

1. T F Residents in nursing homes have fewer rights than other people.
2. T F Residents must always follow doctor's orders and take their meds.
3. T F Residents have the right to be treated with courtesy, dignity and respect.
4. T F Residents have the right to voice grievances and file a complaint.
5. T F Residents have the right to expect to live in a clean, safe environment.
6. T F All staff are to assist residents in receiving and maintaining resident rights.
7. T F A resident has the right to help plan and participate in their own care.
8. T F A resident has the right to examine the results of the last state survey.
9. T F Residents can decide who they want to visit them.
10. T F A resident is entitled to be free of all forms of abuse.
11. T F The most common types of elder abuse are physical, psychological and financial.
12. T F Elder neglect is not as serious as elder abuse.
13. T F Not answering a call light in a timely manner can be considered elder neglect.
14. T F It is OK to **not** take an elderly persons report of abuse seriously if they have dementia.
15. T F If you suspect abuse or neglect you must report it immediately to your supervisor.
16. **Yes No** Employees are prohibited from taking or using photographs or recordings in any manner that would demean or humiliate a resident(s), regardless of whether the resident provided consent.

By signing below I understand that I have an obligation to report any "reasonable suspicion of a crime" (as defined by local/State law) against a resident of, or who is receiving care from Masonic Pathways. Suspicions should be reported to local authority and state agency within applicable timeframes. See supervisor/administrator with questions.
