Fiscal Year 2021 Impact Report

The last year tested everyone. Families struggled with the Covid-19 pandemic and personal loss, the Fraternity struggled, unable to hold meetings and to bring in new members, Masonic Pathways was forced to a status of no admissions and no visitations.

All these events have increased uncertainty about the future and raised important questions and brought about new challenges that had to be addressed. But, through it all I remain in awe of the amount of collaboration and coordination between the Michigan Masonic Home, Grand Lodge of Michigan and the Michigan Masonic Charitable Foundation who stepped up with innovative rapid responses to the multitude of complex situations that came up, seemingly, on a daily basis. We have learned how a team of dedicated individuals can demonstrate that rapid transformation is possible when you work together and with your whole heart. Our great Fraternity, along with staff and residents here on campus are full of unsung heroes; so many people

giving everything they have, in order to continue serving your Masonic family.

The current situation may have temporarily hindered our normal routines, but it will not daunt our dedication and spirit of service to Our Home, Our Fraternity and Our Foundation. In every crisis, there is opportunity. Whatever the path ahead looks like, when we move from response to recovery, we will use what we have learned and rebuild bigger and better than ever before.

As always, we continue to be inspired by the compassion of our Fraternal community and are so grateful for your steadfast support.

Blessings of Health and Happiness to you all!

DONALD RAY TAPIA

DONALD RAY TAPIA, PRESENTED WITH THE “PILLAR OF THE COMMUNITY AWARD”

Past Grand Master of Michigan Mark Manning chose Brother Don Tapia to receive the first ever “Pillar of the Community Award.” This award is presented to a Michigan Mason in good standing with a history of public service and lifelong commitment to civic responsibility. Don has exhibited selfless commitment to his community with tireless action that includes serving on community boards and holding public office. He exemplifies in thought, word and deed the fundamental principles and virtues of Freemasonry.

Don was initiated into Masonry in 1959 at Zion Lodge #001. He is a vibrant 83 years young and hails from Detroit, Michigan. Other Masonic memberships include: 33rd degree Scottish Rite, Southern Jurisdiction, Shriner, York Rite, Knights Templar, Cryptic and Royal Arch Mason, Royal Order of Scotland, Order of Eastern Star and Honorary Demolay.

Mr. Tapia is a veteran, having served in the U.S. Air Force (1955-1959). In his 60’s he earned a B.A. and M.B.A. from Saint Leo University, who also awarded him an Honorary Doctor of Humane Letters. “You CAN teach an old dog new tricks”, he states with a smile.

May of 2019, President Donald J. Trump announced his intention to nominate Donald Ray Tapia of Arizona, to be the Ambassador Extraordinary and Plenipotentiary of United States of America to Jamaica. He held this office September 11, 2019 – January 20, 2021.

Donald Tapia, a prominent businessman, committed civic leader and philanthropist, was the Chairman and CEO of Essco Group Management the largest Hispanic owned business in Arizona for more than three decades. His philanthropic efforts have included serving on the Board of Directors of the Sun Angel Foundation & Endowment at Arizona State University, as Chairman of Board & Trustee at Saint Leo University in Florida, and as a member of the President’s Circle at Xavier College in Phoenix, Arizona. He has served on the Boards of social service organizations such as the Boys & Girls Club of Phoenix, Teen LifeLine Phoenix, Advisory Council of the Arizona Animal Welfare League and Advisory Board for Foundation for Blind Children.

Mr. Tapia has made a lifelong commitment to philanthropy by making substantial monetary contributions that significantly impact the community. Along with the Michigan Masonic Charitable Foundation, Don has countless philanthropies he supports including: Arizona Animal Welfare League, Foundation for Blind Children, Childhood Language Center, Orange County Scottish Rite Language Center, Dogs for the Blind, Saint Leo University and the TKE Education Foundation.

His home is adorned with photos of him shaking hands with Presidents Richard Nixon, Ronald Reagan & Gerald Ford among others. He jokingly reports that some of these photos are displayed in his “Presidential Bathroom.” He has many interesting anecdotes of the celebrities and politicians he has met over the years.

Among his many accolades and honors he received the Pope Francis Charity and Leadership Award in 2017.

What’s next for Don Tapia? He plans to get back into residential building and is considering joining a few different corporate boards. Whatever Don decides you can bet he will be busy, engaged and philanthropic.

Brighton Lodge #247

FY 2021 Michigan Masonic Charitable Foundation - **Impact Report**

Leading the Way

Brighton Lodge #247

"We took an obligation. We knelt and took an obligation to take care of our brothers, our widows and orphans," said Jim Huff, P.M. "Those weren't just words. That was a promise."

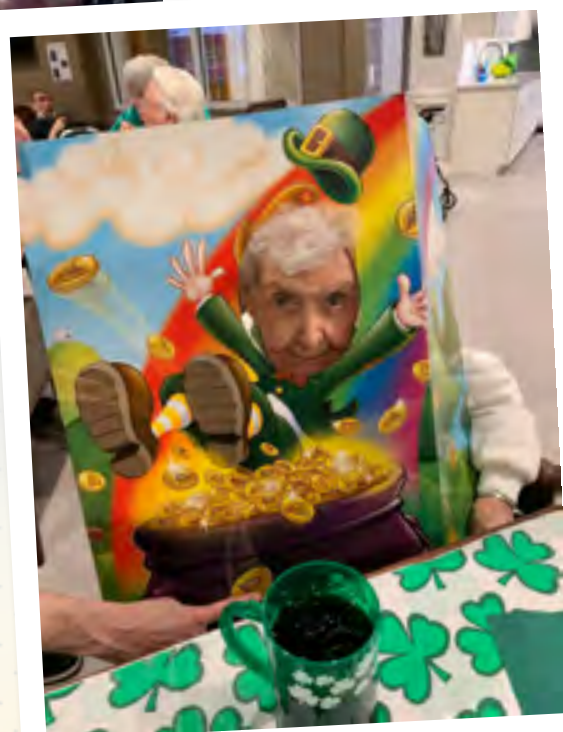

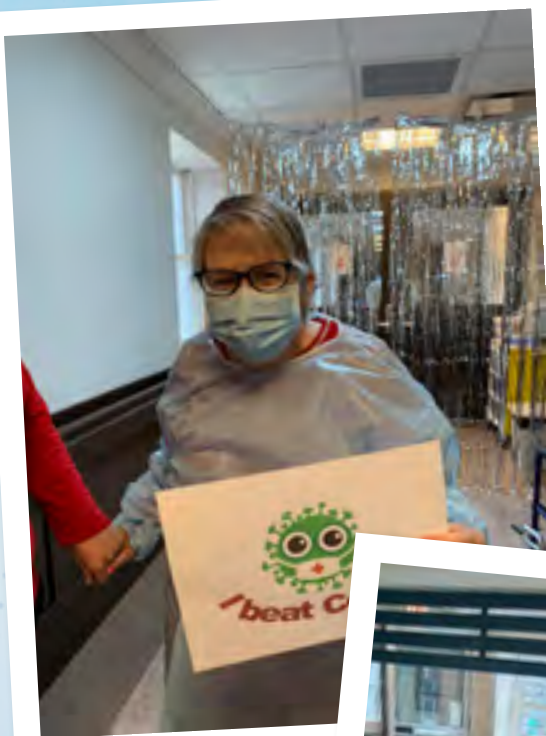

Brighton Lodge #247 believes in being involved in the community. Giving scholarships to local high school graduates to help them further educate themselves is one lodge focus. They also donate to several charities, such as Special Olympics, Salvation Army, Bountiful Harvest, The Torch, and The Arc of Livingston just to name a few. Members like to get involved in the community by handing out backpacks to children in need, cleaning up the local cemetery, as well as running the Child I.D. Program at most events they host or are invited to. "I believe all these things are important because you're spreading God's generosity and love; it also makes good men become better men. These two things are key parts of what Masonry is all about" stated Andrew Huff, P.M.

When Brighton Lodge was asked to support the "Masonry Lives Here" Capital Campaign they didn't give a second thought to whether they would or could give a gift to support the Michigan Masonic Home, but whether they could give enough. Brighton Lodge has a long history of kindness and generosity contributing toward many Masonic Home items including a balance machine, paver bricks, golf outings, MMSAP training and Holiday Appeals.

Brighton Lodge's generous lead gift made the revitalization of the Residential Ground Floor dining and kitchen area possible. The revitalized area is named in honor of their deceased brother and 50 year member Harley W. Zeeb. Harley's generosity toward Brighton Lodge enabled them to create a legacy of philanthropy to support their Masonic ideals.

"As Masons we are taught many lessons in the 3 degrees, several of which are Charity, Relief and Truth. As Entered Apprentices, we learn to come to the aid of a distressed Brother or his family. Our brothers and their families are current residents of the Masonic Home, and we may have the need to live there in the future." The night Brighton Lodge decided to donate, "we followed our hearts and the obligations we all have taken." said Jim Huff, P.M.

The residents and staff of the Masonic Home are enjoying this beautiful area. They are looking forward to opening this area to the public and celebrating the generosity and caring of Brighton Lodge #247.

Calling all Heroes!

In December, we called upon the Fraternity and Sweethearts to assist the Michigan Masonic Home with the additional expenses caused by the pandemic. As you know, the Healthcare industry as a whole was struck hard and Senior Living communities were no exception. Millions of dollars were lost due to no admissions and even more spent on changes and upgrades to the facility to make it the most safe environment possible for both residents and employees.

To date **YOU** contributed over **\$117,000** and the monies are still coming in. I can't begin to tell you how grateful and blessed we are to know we are supported by such an amazing group of individuals, Lodges and Chapters.

The struggle is not yet over, but I am so very proud, and hope you are too, of the courage and resilience shown by both our team and our wonderful residents...it just cannot be measured. Your compassion and generosity through these trials means so much and will be felt and remembered for years throughout our campus.

Eugene "Gene" Kleeman

On Tuesday, May 18th, what would have been his 97th birthday we had the pleasure to sit in a room amongst many other non-profit organizations and receive a check that he had left for the Michigan Masonic Charitable Foundation in his will. In total, Eugene "Gene" Kleeman bequeathed 31 outstanding organizations with money they could use to further their missions and the good work they do throughout the great state of Michigan.

Gene was born in Jettenbach, Germany in 1924. At the age of 8, he immigrated to the United States with his parents to Michigan. Gene graduated from Cass Tech High School in 1943, and immediately joined the Navy. He served his country proudly for five years over two stints between 1943 and 1953, earning the rank of Lieutenant Junior Grade. His last assignment was during the Korean War aboard the USS Perry as Chief Engineer before receiving an honorable discharge in June 1953. In between stints, Gene not only earned his Bachelor's Degree in Electrical Engineering from the Illinois Institute of Technology in 1946, but started his career at Chrysler as a Student Engineer while earning his Master's Degree in Automotive & Electrical Engineering through Chrysler Institute of Engineering.

After joining the civilian ranks, Gene enjoyed a 30-year career at Chrysler Corporation. During his time at Chrysler, Gene took on a number of assignments that took him all over the world. He spent several years abroad, working in Australia, England and Germany in various management capacities. In his spare time, Gene was active in many organizations, including the Society of Automotive Engineers, Men's Club at First Presbyterian Church of Mount Clemens, North Channel Yacht Club, the Shrine and the Freemasons...he was raised into Eastgate Lodge #508 in 1947.

During his retirement, Gene found both new passions and love to keep him going. Gene has helped sponsor several projects at the Village of East Harbor, First Presbyterian Church and the Great Lakes Division Sea Cadets. He entered into a partnership with Motor City Golf and purchased Flushing Valley Golf Course where he and his wife, Maria, spent his last summers working.

Gene's generosity was quiet. He didn't need the accolades; in fact, many of the organizations present never had the pleasure of meeting him, yet as each group spoke, it was evident that his legacy will live on in all those touched by his lifetime commitment to kindness and his steadfast belief in leaving the world a little better than he found it.
