

National Child Identification Program

The enclosed ID kit has helped protect more than 45 million children across the United States.

MICHIGAN MASONS

This kit can assist law enforcement in locating a missing family member.

National Child Identification Program

Over 800,000 children are reported missing every year that's one every 40 seconds

- 450,000 children run away
- 300,000 are abducted by family members
- 50,000 are abducted by non-family members
